

IEP evaluations in Romania

Teaching and learning universities (2012-2014)

Tia Loukkola, Head of IEP Secretariat

Overview of the first evaluation round

- ▶ 17 teaching and learning universities
- ▶ Preparatory workshop for universities: 16 November 2012
- ▶ Self-evaluation process and report in each university, winter 2013
- ▶ 2 site visits of the IEP teams: in spring and autumn 2013
- ▶ Evaluation reports: December 2013/February 2014

Objectives of the workshop

- ▶ Support the universities to implement the recommendations received during the evaluation: What did the universities learn from the process and how can they take things forward?
- ▶ Explore what kind of lessons learnt there could be for the Romanian higher education system: What can the system learn from it and how it could change?
- ▶ Provide feedback to IEP on the quality of its work and possible ideas for further improvement: What is IEP learning from it and how will it take things forward?
